

Name of presenter: _____

MATH 488: Rubrics for Hilbert / Millennium problem presentation

Please score all items on a scale of 0 to 1.

Introduction to the problem:

1. Was the problem of interest summarized clearly? _____
2. How well were its details explained? _____
3. Was it clear where/why it arises and is of interest? _____
4. How well was the related math background explained? _____

Discussion of solution efforts:

5. Was an overview/ summary of different solution efforts presented? _____
6. Was (at least) one solution effort discussed in depth? _____
7. Was the “in-depth” discussion sufficiently detailed mathematically? _____
8. Was it sufficiently clear? _____
9. Was it sufficiently complete? _____

Other items:

10. Was the impact of the problem/solution on other developments discussed? _____
11. Did the presentation include needed visuals (sketches, graphs, tables)? _____
12. Did the speaker cite/indicate key references? _____
13. Was the content free of spelling and grammar errors? _____
14. How effective was the layout and design of slides? _____
15. How well was time managed? _____
(finished on time? finished too soon? covered needed items? etc.)
